Adoptive/Foster Family Support Group

Through Legacy Adoption Services, you can help a child find a “life-long loving family.” Every child needs love, shelter, and guidance. LAS is a non-profit organization proud to serve the needs of ALL foster children throughout Michigan, regardless of race, gender, religion, or sexual orientation.

Join other families who have gone through or are going through the adoption process. Ask questions, make connections, and gain support!

Our Mission

Legacy Adoption Services connects Michigan children with loving, safe, adoptive families.

Our legacy of faith and service propels us to be responsive, caring, and innovative in our approach to building families.

We deliver a sense of love, belonging and the stability of a permanent family that gives each child a chance to build a legacy of their own.
